

Windsock 3 Month Warranty & 12 Month Wear and Tear Replacement Program

3 MONTH WARRANTY

Flight Store Windsocks are warranted against defects in materials and workmanship for 3 months from the date of purchase and is provided solely for the benefit of the initial purchaser of the new windsock. Flight Store will repair or replace at its discretion any manufacturing defect free of charge.

This warranty does not cover damage caused by normal wear and tear, accident, lost/stolen, abuse, misuse, misapplication, or modifications. The warranty applies to individual users only; the warranty does not apply when the windsock is used by a 3rd party or rental capacity.

The warranty term does not refer to the expected lifetime of the product and parts. A product's lifetime is a function of how much use it gets and how well it is cared for and not by how old it is. The warranty term is designed to protect the purchaser against manufacturing defaults only and is limited due to the fact that a windsock is subject to variable, random and extreme environmental and weather events.

All warranty claims must be sent back directly to Flight Store Pty Ltd and include the windsock in its entirety as well as the [Warranty / 12 Month Wear and Tear Replacement Program Claim Form](#) or the required information outlined on the form. Flight Store is not responsible for shipping or transportation charges from you to Flight Store.

This warranty, and the remedies set forth above, are exclusive and in lieu of all other warranties, remedies and conditions, whether oral or written, express or implied. Flight Store specifically disclaims any and all implied warranties, including without limitation **WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE**.

To the maximum extent permitted by law, Flight Store is not responsible for direct, or for special, incidental, or consequential damages resulting from any breach of warranty or condition.

Examples of warranted issues:

- Failure of the stitching on sewn seams
- Failure of eyelet installation
- Tear or perforation on PVC material upon unboxing and before installation

Examples of non-warranted issues:

- Tear or perforation on PVC material after installation
- Damage due to incorrect installation
- Damage due to wear and tear
- Damage due to the windsock contacting the windsock pole

Windsock 3 Month Warranty & 12 Month Wear and Tear Replacement Program cont..

Many of these non-warrantied items can be claimed as part of the wear and tear replacement program, please see description below.

12 MONTH WEAR & TEAR REPLACEMENT PROGRAM

Wear and tear is damage that naturally and inevitably occurs as a result of normal use or aging. While Flight Store sources the very best manufacturers, materials and craftsmanship, normal wear and tear is inevitable and will occur over time as a result of normal use.

Flight Store offers a unique replacement program as a sole benefit to the original purchaser of the new windsock that has been installed on a Flight Store manufactured windsock frame. If at any time during ownership your windsock has deteriorated to a level beyond use, you may return it to Flight Store and be provided with a voucher code for the purchase of a new windsock for 40% off retail price.

Please note: The 12 Month Wear & Tear Replacement Program only applies to windsocks that have been fitted to Flight Store windsock frames.
