

Kneeboard Kit / X-naut 9.7, 10.5, 11 Installation Instructions

Tools Needed: Phillips Screwdriver

Hardware: (4) 8-32 Screws (4) 8-32 Nuts

4-hole pattern on the kneeboard plate will be used for X-naut 9.7, 10.5 and 11 models.

3 hole pattern is designed for X-naut mini models.

Align 4-hole pattern with X-naut and insert 8-32 screws.

Turn over and fasten screws with 8-32 nuts.
